To whom it may concern,

Please find this letter in support of Anna Galati, the primary organizer of the 1st Annual MacGregor Park BBQ on August 6, 2005. This event is an important element in the rejuvenation of the Lansdowne area. We are confident that the coming together of local friends and family will benefit the neighbourhood as a whole.

The organizers, ourselves and the whole of the Davenport community would greatly appreciate any donations, support or expertise that you or your organization may be able to offer. Specifically we would appreciate any assistance you can provide by:

1. Sponsoring with a donation of money, goods (such as food for the barbecue) or services
2. Promoting with flyers, posters, etc.
3. Participating in it!

Any and all support towards this worthwhile event will be recognized publicly leading up to and on the day of the BBQ.

Once again, many thanks, and I look forward to seeing you in MacGregor Park on the 6th of August.

Sincerely,
