GREENWOOD PARK

The City of Toronto is about to embark on a multi-million dollar upgrade to Greenwood Park. Plans being prepared by a consultant team include items such as a shade structure over the hockey rink and a skating trail.

Now is the time for all users and Friends of Greenwood Park (FROGS) to guide and shape the future vision of the park. Participate in the community consultation with Councillor Fletcher and make your voice heard. Bring a neighbour!

Tuesday, February 1st

7:00pm

Riverdale United Church

1117 Gerrard Street East (at Leslie)
