

# TORONTO Parks, Forestry & Recreation

Parks, Forestry & Recreation contributes to Toronto's quality of life through stewardship of the environment; by promoting and enhancing the social and physical development of children and youth; and by leading the way to lifelong active living for residents of Toronto through a wide variety of leisure and recreational opportunities that welcome everyone. The division is also responsible for community development, parks, horticulture and forestry programs, park and open space planning and environmental initiatives. The division manages and maintains facilities and operates specialized services, including the ferries, golf courses, waterfront and regional parks systems.

## Community Recreation

The Community Recreation Branch provides recreation programs and services to Toronto residents. Examples of programs include fitness, instructional skating, pleasure skating, camps, sports, aquatics, arts, skiing and local community recreation.

The Customer Service section is responsible for recreation program registration, and facility and park permitting. The unit also assists with customer account inquiries.

**Parks Development & Infrastructure Management**

The Parks Development & Infrastructure Management Branch (PD&IM) is responsible for the planning, design and development of the Division's green spaces, facilities and amenities. These assets, worth several billion dollars, include parks and open space design, pathways and trails, pools and water play areas, arenas, community centres, and streetscapes. This Branch is comprised of the following sections:

- Facilities Management
- Property Management & Maintenance Services
- Planning, Design & Development
- Construction Management & Capital Projects
- Work Management System & 311
