We would like permission to explore this opportunity at Park Lawn Park . We have not approached our councilor, or park supervisor as of yet, but did want your feedback regarding this.</p> <p>I am aware of the necessary community consultation and input. But in the meantime we will work on a potential site map. What is the next step?</p> <p>Thanks and have a happy holiday season – I hope you have a much deserved vacation.</p> <p>Julia</p>
<p>Councillor Milczyn 2/9/2010 10:28 AM</p>	<p>Hi Solomon,</p> <p>Can you please advise me of the status of the request from the Stonegate Community Health Centre to have a second community garden in Parklawn Park . As they are anxious to get this project off the ground, I would appreciate a response from you asap.</p> <p>Thank you.</p> <p>Councillor Peter Milczyn  Ward Five, Etobicoke-Lakeshore  Toronto City Hall  100 Queen Street West, Suite C51  Toronto , Ontario  P: 416-392-4040  F: 416-392-4127  councillor_milczyn@toronto.ca</p>
<p>Councillor Milczyn 2/23/2010 2:21 PM</p>	<p>Hi Solomon,</p> <p>Just following up on our conversation re the Community Garden - last we spoke you were going to do an assessment and get back to me - can you please advise what your findings were so I can update the Councillor.</p> <p>Thanks</p> <p>Kathy Micucci  for Councillor Peter Milczyn</p>
<p>&gt;&gt;&gt; Solomon Boye 2/23/2010 3:53 PM  &gt;&gt;&gt;</p>	<p>Hi Kathy,</p> <p>I'm not quite sure where in Parklawn Park the proposed garden will be situated, as within the formal boundaries of the park, I do not see any locations that would be suitable for a community garden without interfering with existing park uses (e.g., sports activities, etc.).</p> <p>A possible location is at the north end of the park, down the slope and near</p>

	<p>the recreation centre. It appears that residents use this site to walk their dogs. The area Park Supervisor may be able to comment on whether the space is also used for other activities that we may not be aware of.</p> <p>If this location is suitable to all stakeholders, please note that we may have to cut into the road to get water from the hydrant nearby - similar to the water installation for the community garden at Tom Riley Park (Bloor and Aberfoyle).</p> <p>Thanks,</p> <p>Solomon</p>

<p>" Julia Graham " 2/23/2010 4:35 PM</p>	<p>Hi Kathy,</p> <p>I've attached a potential site map. The area we were proposing was along the south fence of the recreation building, away from the hill and near the parking lot. Or we also thought an alternative could be between the tennis courts and the parking lot where at present there is grass.</p> <p>Thanks again for your help,</p> <p>Julia</p>

Also would it be possible if it is located there to have the water service come in from Bernice - please let me know your thoughts on this.</p> <p>Thanks</p> <p>Kathy</p>

As you know this is a very well used park and they felt that the green space was needed there.</p> <p>Kathy</p>
