

TORONTO Parks, Forestry & Recreation

Parks, Forestry & Recreation contributes to Toronto's quality of life through stewardship of the environment; by promoting and enhancing the social and physical development of children and youth; and by leading the way to lifelong active living for residents of Toronto through a wide variety of leisure and recreational opportunities that welcome everyone. The division is also responsible for community development, parks, horticulture and forestry programs, park and open space planning and environmental initiatives. The division manages and maintains facilities and operates specialized services, including the ferries, golf courses, waterfront and regional parks systems.

Management Services

The Management Services Branch provides financial planning, financial control, accounting, staff support, labor relations and operational compliance to all branches in the Division. Some of the key functions include finance, complement control, payroll, staffing for seasonal and part-time workforce, labour relations and compliance.

The Customer Service section is responsible for recreation program registration, and facility and park permitting. The unit also assists with customer account inquiries.

Parks

The Parks Branch is involved in all aspects of parks maintenance, sports field maintenance and horticulture. Parks Branch also is responsible for special features such as Toronto Waterfront Park development, Children's and Community Gardens, Toronto's Urban Farm and Stadiums, operating golf courses and the marine services.

The Parks Branch plays a key role on city-wide initiatives such as Clean City Beautiful City, Waste Reduction and Diversion, Waterfront Maintenance, and Ravine and Watercourse Management.

Parks Development & Capital Projects

The Parks Development & Capital Projects branch is responsible for the planning, design and development of the Division's green spaces, facilities and amenities. These assets, worth several billion dollars, include parks and open space design, pathways and trails, pools and water play areas, arenas, community centres, and streetscapes. This Branch is comprised of the following sections:

- Planning, Design & Development
- Construction Management & Capital Projects
- Waterfront & Special Projects
